GIVING OPPORTUNITIES

Montana Shares Raffle

Attached to this newsletter is a raffle ticket for the 29th annual Montana Shares Raffle. Buy tickets and help Butte SPIRIT Center by supporting Montana Shares, a partnership of nonprofits working together to improve the quality of life in communities across Montana.

The member groups of Montana Shares address issues such as health care, sustainable living, children and families, the humanities and the arts, justice, wildlife habitat, women's needs, and animal welfare. They work together to bring each other's important messages to audiences in public presentations as part of the Montana Shares workplace giving campaigns.

Take a moment to look over the raffle ticket and the many different prizes you could win. Your donation will help Montana Shares in its work to support Butte SPIRIT Center and other member groups.

To enter the raffle, return the tickets on the flyer, along with a check before September 13, 2023 to:
Montana Shares, P.O. Box 883, Helena, MT 59624.

Women's Home Campaign

Butte SPIRIT is fundraising towards the purchase of a home to serve women with our sustainable model for sober living, and we need your help to reach our goal! (See thermometer ->)

There's still time to leave a legacy brick in the future Women's Home walkway, engraved with the name of your choosing for an investment of \$500+

WHAT IS HAPPENING IN THE HOME?

The Butte SPIRIT Home bed in the Park Street Community Garden is prepped and ready for planting in early June, with happy seedlings continuing to grow in trays at the home.

The Residents have nearly wrapped up the first rotation of cooking and nutrition classes, with lots of new recipes and cooking skills being practiced in-house.

STAFFING UPDATE

Over the past couple of months, Butte SPIRIT has welcomed three new staff: Lisa Pesanti has stepped into the role of Clinical Director, bringing years of experience in similar positions as well as dual licensure as both an Addictions Counselor and

Clinical Professional Counselor. Following Lisa's addition to the team we will be able to scale up capacity to support the future Women's Home, as well as to provide better care for our current residents who have Mental Health Diagnoses.

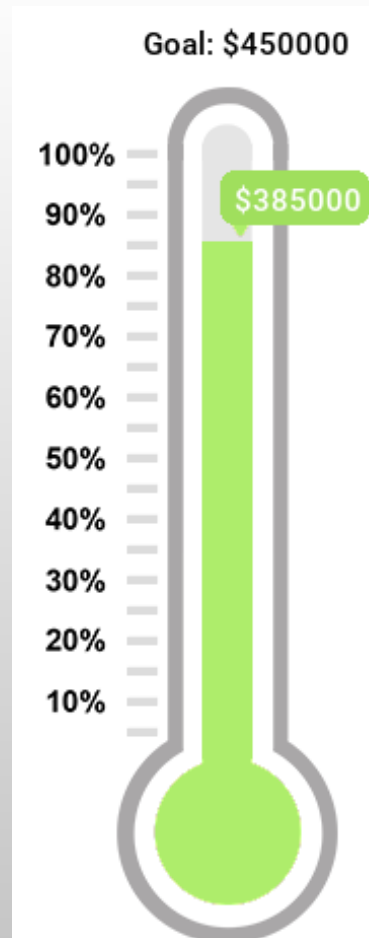

Michael Bates and Dave Boyd have joined the team as Rehabilitation Aides, providing several decades of collective recovery experience between the two of them to Residents during the nighttime hours.

WOMEN'S HOME

With fundraising ongoing, Butte SPIRIT is actively working with our realtor to identify other more affordable homes that would be appropriate for siting our new facility.

We would like to begin staffing the facility in October 2023, opening the doors to residents in November. However, not having purchased a home at this point, forecasting this timeline is tenuous.

We sincerely appreciate all of your support for this new effort, and would love you to share it with others!

I was welcomed with
open arms by both the
Butte SPIRIT Home and
its staff.
